

### Past and Present Meet at Legion Mortgage Burning

**AUTO TAXES**  
Current taxes take about 29 cents out of each dollar spent in the United States for the purchase of a new automobile, it is estimated.

The past and present in the command of the Bert S. Cross-land American Legion post, will meet in the long-awaited "burning of the mortgage" ceremony at a public reception to be pre-

post and chairman of the committee on arrangements, has announced that a score of invited civic, service club and veterans' groups leaders, plus a capacity hall crowd, is expected to be on hand for this community event and dance to follow.

**FLAX CENTERS**  
North and South Dakota produce about four-fifths of the United States crop of flax seed.  
**FOURTH LARGEST**  
Brazil is the fourth largest country in the world.

### Civitan Service Club Organized By Torrance Men

With Dr. Courtney Shropshire of Phoenix, founder of Civitan International, and district officers present, the Torrance Civitan Club was organized at a dinner meeting Tuesday evening in Hollywood Riviera Beach Club.

Temporary officers of Torrance Civitans are Frank S. Selover, chairman; Robert A. Owens, secretary, and Charles I. Crecellus, treasurer.

Lieutenant Governor Clyde Potter, of Los Angeles, opened the meeting and introduced Governor-Elect A. J. Moe, of San Pedro. Other Civitan clubs represented are the two sponsoring clubs, Long Beach and San Pedro. Presidents of the two organizations, Frank Sunstadt, of Long Beach, and Sam Mannino of San Pedro, pledged full assistance and cooperation in carrying the Torrance Civitan Club on through its charter night and until it is firmly established. The group will meet next Wednesday, May 13, at 8:30 in the Hollywood Riviera Club, and weekly thereafter on an evening to be chosen by the majority.

Dr. Shropshire told of founding Civitan International as "Builders of Good Citizenship" in the period from 1917 to 1920. He declared that Civitan is a working organization, not a social or dinner club, and that every Civitan club is engaged in community programs developing the motto of the organization.

Lieutenant Governor Harold Askey, of Long Beach, instructed the group in the Civitan creed.

In addition to the temporary officers, the following have signed the Civitan Club of Torrance charter application: Dick Bonham, Frank C. Diederich, Dr. James K. Lees, Earl W. Eichert, Robert J. Belker, Bill G. Peterson, John A. Willard, James Nicole, Charles E. Markland, Jack Smith, Councilman Nick Dren, Harry B. Cannon, Harry C. Petro, Maxwell T. Blanchard, Lowell Spring and Dr. C. R. House.

### ... Gas Vapors

(Continued from Page 1)  
Laboratory experiments, have demonstrated the need to remove gasoline vapors, explaining that the gases change their chemical form in the atmosphere when united with oxygen in presence of sunlight.

**Crop Damage Claimed**  
This, he said, causes widespread crop damage, creates haze and pollutants such as peroxides, aldehydes, and organic acids, and contributes to the ozone in the atmosphere which cracks rubber and has an unpleasant odor.

The new ruling is only the first of several anti-gasoline vapor restrictions which must be passed and carried out if the smog menace is to be combated, the director said. Yet to come under regulation are vapor losses from gasoline refining, transportation, and use. Past achievements of the Control Committee have already resulted in the elimination of over 600 tons of pollutants, including 100 tons of gasoline vapors.

### ... Battery

(Continued from Page 1)  
almost thrown to the ground and as a result may have injured his arm and back. Stroh indicated he may also file a civil suit against Kenecade.

Hospital attendants gave out conflicting reports yesterday on Kenecade's condition. At 4:30 p.m. yesterday he was reported as still on the critical list. Stroh said, however, he expected Kenecade to be released at 11 a.m. today and would pick him up on the assault and battery complaint.

### New Store in Kansas

The National Supply Company is building a new store and warehouse in Liberal, Kansas, to improve its service to oil fields in southwestern Kansas and Oklahoma Panhandle. This will be one of more than 100 oil field stores operated by National Supply in the United States and Canada.
